## Brief description

In may comes, here in Liguria, the long-awaited Delphia 34. Watercraft and without license.The spacious family cruiser with habitable and nicely finished interior.The Delphia 34 is designed to meet the new standards of design to comply with the philosophy of the shipyard to build "real Boats"The artisans of Delphia associate traditional technology with high quality materials to create a range of modern interiors, ergonomic and functional to high levels of quality and finish. As a result, Delphia 34 is that combines a classic design meets tradition and convenienceà. The Delphia 34 was designed around the needs of the sailor, easy to navigate. Considering the compact size, Delphia 34 optimally and practical uses of space around the hull and practical in every detail.With the safety of the crew as a goal, the aft Delphia 34 has closed that integrates well with the rest of the cockpitThe Delphia 34 is available in different variants of both internal hull offering in addition to the standard hydraulic keel keel.
