Interior

The interior is neat and very comfortable, the layout is unique: a cabin aft, with a generously sized bathroom to the side, and area for waxing ,chart table and, on the opposite side, the galley corner, forward of this, the settee with center table and, then, the forward cabin.
The 320's deck equipment is of excellent quality. The retractable bowsprit retracts into the full-opening locker, the mainmast rail is recessed into the cockpit floor, and the terminals of the mainmast trolley adjustment pulleys are aft of the wheelhouses, a feature that highlights how the boat is designed to be sailed solo or with a small crew. Lightened version , T-bulb

Armament

Fullbatten mainsail two jibs code zero with whip ubi Maior gennaker with whip Harken retractable bowsprit, Dynema halyards,

Instrumentation

Cockpit in listetack , cushions benches , giant locker . double wheelhouse , electric winches , battery charger, two 12 volt batteries, autopilot electronics with also remote control wind log eco, cartographic, hot water boiler also in cockpit double wheelhouse vinylester hull lightened version 3600kg draft 2.15 meters , rudder covers , USB sockets cockpit and dinette,

Additional notes

A boat designed for very fast offshore sailing that has the ability to participate in inshore and offshore racing, while not distorting itself to seek rating optimization.
